

Make your own Tealight S'mores

**Northern Ireland Forest School
Association**

Tealight S'mores, this is a great activity which can be done both indoors and outdoors.

What do you need?

- * Tealight
- * Matches
- * Skewers
- * Marshmallows
- * Chocolate Biscuits (I didn't have any so plain work just as well)

Have fun making your S'mores 😊 if they go on fire just blow them out and remember to let them cool before eating.
